TITLE: Proposed School Board of Broward County, Florida 2005-2006 Employee Calendars

REQUESTED ACTION: Approve the attached proposed School Board of Broward County, Florida 2005-2006 Employee Work Calendars.

SUMMARY EXPLANATION AND BACKGROUND:

Policy 6001 requires that the Superintendent present to the Board a tentative employee calendar for adoption at a School Board Meeting in or before March. At the March 16, 2004 School Board Meeting the Board approved the 2005-2006 school calendar. Historically, we have come to the Board since at least 2000 with the remaining work calendars; this is a continuation of that process. The Superintendent has designated a Calendar Committee to develop these work calendars. The Calendar Committee, which is comprised of representatives from the various bargaining units, PTA, District Advisory Council, teachers, principals, the departments of Employee Relations, Administrative Procedures, Research and Evaluation, Student Choice/School Boundaries, Student Assessment, and Advanced Academic Programs, established the attached employee calendars.

The appropriate bargaining units: Education Support & Management Association of Broward, Inc., Broward Teachers Union, Technical Support Professional Unit, Broward County Paraprofessional Association/Broward NEA, Uniserv, Federation of Public Employees, and the Confidential Office Personnel Association presented the employee work calendars to their constituencies for discussion, and they were approved. See attached Executive Summary for specific calendars.
