Re: A.C. Perry Elementary School 1631-99-01

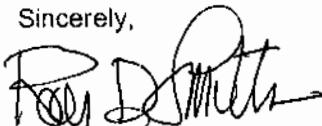

Dear Sonjia:

We are in receipt of the final Bid Tabulation Form representing the results of the bid opening on February 17, 2005 for this project.

We have reviewed the information compiled as a result of the bid opening, and concur that Padula & Wadsworth Construction, Inc. had the lowest bona fide bid at \$2,504,000, and therefore recommend that the contract for construction be awarded to this Contractor.

Please contact me with any questions or concerns.

Sincerely,

Roy D. Smith, President
